Chapter 4 - An Arrow in Flight, Straight Down the Middle, Shortest Distance between Two Points - 'Straight Line'!

C & D) Attitude and Serenity: You Decide!

Does serenity come before attitude? One might want to think about this for a second. For me, attitude comes before serenity; yet, once serenity is achieved it is sometimes okay for individuals to see my serenity, in some form or another, before they 'see' my attitude. Thusly, following this brief typing, the 1st picture which you will see is of some of the serenity which I believe that THE CHRIST has bestowed upon my life!

After the 1st picture, then it may be possible to see some attitude!

Many will be very opposed and angry about the '...of Possession Upon DEATH' which will be at the end of this part. Myself, I can not have one set of rules for some and another set of rules for others.

Currently, there are many individuals which are being faced with certain questions about relatives, spouses, children, friends, and acquaintances. These individuals labor and wonder why certain individuals do not 'GET IT' about what is going on in America, the World, and their lives. I will abundently assure all the I am sympathetic, appreciate, and understand the agony which many of us are going through with respect to individuals not getting 'IT'. I have done a lot of this myself; and, it is called seperation.

IT is called 'fruit inspection'. IT hurts!

We must not waiver. Our 'flight' must be 'straight as an arrow'!

These are some of the views which I have to face from the front of my home.

Blessing from THE CHRIST!

Have you ever heard that "one must stand for something or fall for anything?" I believe that it is 'fair' to clearly and succinctly allow 'all' to know one's position. Of course, many do call someone which is 'clear', rather 'peculiar'. Do you remember reading in the Word of THE FATHER about certain type of people?

Was there a time and a place in the history of this country when a small number of men demonstrated "TO THE LAST DROP & TO THE LAST BREATH"? Was it at the Alamo?

Do you remember Leviticus 27:28? "...every devoted thing is most holy unto THE LORD."

I consider it a 'blessing' to possess, occupy, live, and defend 'a most holy thing'.

The Jeep has had an electrical starting problem for about 8 months. Hope to get it fixed before the year is out!

The Bronco has been my main Private Conveyance for the last two years. There is a 'blue' distinctive strip along both sides. Some people think I desire extra attention. I really just want to make sure that law-enforcement knows exactly who is in said 'unit'.

No 'hide-and-seeK' for me! All three of my units, private conveyances have the same information 'sign'. Close-up so you can read the prayer.

This above hood and below doors belong on my 1978 Ford van. As one can see my 'prayer' is quite noticeable to all when I convey over 'postal roads'. I have not finished the recent restoration job on said unit. new hood and doors are ready to be mounted. And soon a man will paint my same prayer on the new hood and doors. Originally, my prayer was placed on this unit in 1995, when restoration project was completed. This unit, being a four-wheel drive van, is a very strong 460ci gas-eating hoss. The color is rather distinctive as it shines about 4 different colors depending upon the lighting.
