

## Chapter II - How Do We Care and Heal Our Physical-Living Body?

B) Differences - "And that ye may put difference between holy and unholy, and between unclean and clean." - Leviticus 10:10.

Soothing words, un-mindful thinking, false-prophet teachings, and death becomes those which are not interested in 'differences'! The very mention of the word, different, conjures up fear to many because those individuals want the protection, supposeably, of the 'herd'. "If I do not stand-out from the rest, then most likely the bad guys will not see me and do something to me." is the motto of most. The fear in those individuals is most evident with their excuses for their failures in life. Their blame on others for the problems which are occurring in their own lives. They 'go-along-to-get-along' and wind-up in the 'lake of fire'. And they are still complaining that it was someone else's fault!

WHO ARE THE IN-TRENCHED FOOT-SOILDER'S WHICH DO THE WORK OF THE BAD GUYS WHICH ARE TRYING TO HARM THOSE IN THE HERD? At the end of this little offering of Chap. II, Part B, an answer will be offered to those with 'eyes and ears' which are wanting to 'open'.

\*\*\*\*\*

"Thou shalt not sow thy vineyard(garden) with divers seeds: lest the fruit of thy seed which thy hast sown, and the fruit of thy vineyard, be defiled." - Deut. 22:9.

It does not take very much intelligence to understand that defiled means polluted, contaminated, un-clean as in something which could harm one's self. As in maybe a poison which is taken a little bit at a time and slowly kills the body with various medical problems.

'Divers Seeds' are hybrid and genetically altered plants and seeds. The correct plants and seeds are 'heirloom'! If you can not get this you should not be involved in this 'offering'.

THE QUESTION is 'do you have a 'vineyard'(garden) to grow your proper plants? Are you in the mountains? Are the mountains rather 'rural'? Do people in the mountains have gardens to grow their own food?

"Then let them which be in Judea flee into the mountains:..." - Matt. 24:16. - THE CHRIST speaking.

Was THE CHRIST just trying to 'fill-up' a book with idle words? Just sitting around with the boys having a 'six-pak' and shooting the breeze? Or was HE giving you a firm order as 'what-to-do' in the later days? Are you going to ignore an order from THE CHRIST? Because you don't want to change your life-style? If you do not act, then don't bitch when you are tossed into 'the lake'.

Did you stop to think about doing a search, maybe on Google to see how many places in North America are named Judea as in Mount Judea? Maybe you could find some knowledge if you did said search?!?!?!?

But, who cares about differences?

\*\*\*\*\*

We go to a shopping mall and visit all the wonderful stores which sell those absolutely beautiful clothes which make us 'feel' so good about ourselves when we 'strut' among our friends and brag about how we got 'such' a good deal(price) on the latest fashions. Did we stop to think as to whether or not we just bought poison????

"Thou shalt not wear a garment of divers sorts, as of woolen and linen together." - Deut. 22:11.

Actually, in our society today, I have not found many clothes which have wool and linen in the contents. However, the 'key' words are 'divers sorts' if one just thinks for one(1) minute. Try very hard now!

POLYIES as in polyester, as in rayon, as in acrylic, etc. are 'many' sorts which are mixed together. These are petroleum products. You are wearing oil in another form. You are being 'tared and feathered'. You are being poisoned very slowly.

TRY AN EXERCISE:

Get a needle, rub it back and forth a bunch on some silk, quickly place the needle on a leaf, which is sitting on a natural and still water source(such as a hole in the ground or tree stump holding water) and watch the leaf and needle turn. The needle and leaf will align to North and South. Rather amazing don't you think???

Did you ever stop to wonder about how many times a day your clothes rub back and forth over your skin and maybe 'align' the magnetic properties in your body? Is your body in action an electrical/chemical machine? Does proper magnetism assist electrical functions or harm same?

Have you ever thought about all cotton, or all wool, or all linen, or all silk clothes with respect to the alignment of your body? Do you think that polyies align your body? I know the difference do you?

Oh, and when you place your hand over another individuals hand can you cause heat transfer to the other individual's hand?

BUT, who cares about 'diver's sorts' it just sounds like different. And, you don't get such a bargain price on the 'naturals' like you do on the 'polies'! And, one actually has to read the labels.

\*\*\*\*\*

In Arkansas there is a magazine called the Arkansas Cattleman. In that publication I can not find one ad for cows and, or bulls which does not proudly point out that all of their cattle are genetically altered to produce the largest of the largest cows which grow at amazing rates. Isn't technology just dandy?

"You shall keep my statues. Thou shalt not let thy cattle gender with a diverse kind:..." - Leviticus 19:19.

Can we wonder if 'gender' means 'genetically altered'/'cloned' to create a 'diverse kind'? What do you think when you 'buy' your beef in the local grocery store? Did you ever stop to think about living in the rural mountains where you could raise your own beef? Even one(1)? I buy one every two years that is a 'natural'.

Definition of the word vegetarian - old Indian name for a 'lousy hunter'. Modern day results of a vegetarian diet - the castrating of a man while leaving his testicles in place; creating a very peaceable and docile pontificator.

"These are the beasts which ye shall eat: the ox(beef), sheep, and the goat, the hart, and the roebuck, and the fallow deer, and the wild goat, and the pygard, and the wild ox, and chamois. And every beast which parteth the hoof, and cleaveth the cleft into two claws, and cheweth the cud among the beasts, that ye shall eat." - Duet. 14:4,5,&6.

'Ye shall eat' is mandatory and not optional. When an individual 'imagines' in their mind because some idiot tells you not to eat the 'proper' meats, that individual is killing themselves and being anti-Christ.

A male needs red meat, the proper kind, to produce testosterone for his muscles, brain, and attitude(forcefulness). A female needs the proper red meat to build muscles, brain, and attitude to control her estrogen.

When a man has too little testosterone and a woman has too much estrogen and they live together, one knows by the history of said couple who wears the pants. 'Pussy men' and 'controlling women' are evident when red-meat is absent.

"And with him ten princes,...and each was an head of the house..." - Joshua 22:14.

"but for Adam there was not found an help meet for him...made he a woman, and brought her unto the man." - Genesis 2:20&22 parts of same.

The man is to be the 'head of the household' and the woman is to be the man's 'help meet'. The man is the boss of the house and woman is to assist, with counsel, and follow the man's direction.

Please show me one verse which says the woman is to be the 'head of the household?

"As for my people, children are their oppressors, and women rule over them." - Isaiah 3:12.

Have we got a lot of Hillary Clinton's in our society?

"...O my people, they which lead thee cause thee to err, and destroy the way of thy paths." - last part of Isaiah 3:12.

The chiefest of the Caininite gods are females, thusly, the caininite system is designed to make the females over the males in our society. I am sure the 'women's libber's' are in love with me.

\*\*\*\*\*

Circa 1994, The State of Iowa which claimed to be the largest producer of pigs(swine) in the United States and also stated in their Dept. of Agriculture the 164 health problems associated(cause) with eating swine.

"Nevertheless these ye shall not eat of them..." - Deut. 14:7 and you read verses the rest of 7 thru 21 at your peril.

Of course we are only talking about differences in this Part B. One man says this and another man says that! And most people follow some man's thinking or ways. Those with 'eyes and ears' do not follow men; they follow THE CHRIST!

"For verily I say unto you, Till heaven and earth pass, one jot nor one tittle shall in no wise pass from the law, till all be fulfilled." - Matt. 5:18, THE CHRIST speaking.

Is a 'jot or a tittle' a big thing or a little thing? Did the little things remain and the big things go away? Or did both the big and little things remain? Has heaven and earth passed away? If so, how are you reading this? Has all been fulfilled? If so, where has and when has THE CHRIST returned to rule and written on HIS vesture, "King of kings and LORD of lords"(Rev. 19:16?) And, if all has been fulfilled, why are you not in heaven???????

"For by fire and by his sword will THE LORD plead with all flesh: and the slain of THE LORD shall be many. They that sanctify themselves in the gardens behind one tree in the mist(Christmas tree/pagan days?), eating swine's flesh(dietary laws?), and the abomination (lots of abominations in the testament, did you read the 7 in Proverbs 6:12 thru 19?), and the mouse(lot of people eating mice today or do a lot of people have a mouse on some sort of electrical machine in their house?) shall be consumed together saith THE LORD." - Isaiah 66:16&17.

Guess I was cheating by placing the (....)'s in the text? Or were those (...) 's maybe helpful hints?

Let's see and can we hear: 'slain of THE LORD'/ eating swine's flesh/ consumed together. It really does not sound like a good thing to me to eat 'swine's flesh' and maybe violate the dietary laws. I wonder if violation is a healthy thing? IT'S YOUR CALL...I HAVE MADE MINE!!!!

\*\*\*\*\*

And, we should not forget about a man's experience in Acts 11:2 thru 12 in which the preacher's and pontificators use a man's words to place a 'difference' in our minds. Remember Peter is in a 'trance' in verse 5 of Acts 11(see Chap. I, Part B(Familiar Deception), page 4 and rest of pages.

Dozens and dozens of people over the last 20 years have referred to the above for 'their' justification of eating unclean foods. I offer the following:

"Verily, verily, I say unto thee, When thou wast young, thou girdedst thyself, and walkest whither thou wouldest: but when thou shalt be old, thou shalt stretch forth thy hands, and another shall carry you whither thou wouldest not." - John 21:18, THE CHRIST speaking to Peter.

So how old was Peter in Acts 11:2-12? Was he stretching forth his hands? Was he a man? Did THE CHRIST warn us about this event and others in John 21:18? Did some man get ahold of Peter? What about you?

Have your preachers and pontificators gotton a hold of most individuals? Are not these same P & P's (pp's as in pissing down somebody's pants legs) the activists for the New World Order? Agenda 21? Vaccines? Health Insurance?

WAIT A MINUTE THOSE P & P's are esposing to be against the above mentioned items so they say. Yet, they lead you down a path which is sure to have you 'slain' and 'consumed' by THE LORD, They tell you to go ahead and eat some more pork!

THE LAKE OF FIRE IS SAID TO BE VERY HOT AND VERY LONG-TERM! THE LAKE IS HOW THE LORD does THE CONSUMING!

Those nasty little differences which some do not like to think about!
