

To those with eyes and ears which may have not opened! To those which are tired of being the 'tail'. Blessings!

SOME FURTHER THOUGHTS AS TO 'How, What, Where, and When', Hebrew, the enemy's language, became, infused into the lives of the Good Man and the Man of Breath; to their potential(impending) physical and imm-moral death as a result of the deception. (Failure to read first 'paper' on subject is stupid! - this is 'paper' - 2.)

"And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God..." - Deut. 28:13.

"The stranger that is within thee shall get up above thee very high; and thou shalt come down very low. He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail." - Deut. 28:43&44.

In the above, where you see the word, commandments, does that mean to you only the (10) commandments? If so, then you are the tail!

Where you^{see} the commandments(in text only) in Exodus Chap. 20, do you see only ten(10)? If so, then you are the tail!

Please show me where(as in book and chap.) in the text where it so states that there are 10 Commandments and lists ten(10) of same in that location. If you can, then I am the rear-orifice of the world! For in Exodus 20, I can show you at least 13 listed commandments; for verses 18-22 in Chap. 20 were removed from Chap. 19 and re-inserted into Chap. 20 to deceive you. Want to re-read the last sentence? Want to re-read Chap. 20? If not, then you are the tail!

END OF PREFACE

Consulting References:

King James Bible(KJV), Ferrar Fenton Bible(F.F.), Col. Tomson Bible (C.T.), Septuigent(Sep.), Jasher(Jas.), Jubilees(Jub.), Strong's Concordance(stein's), and plus, your actual thought as to what you are reading, as in contimplation.

1st reference to 'Hebrew' in KJV is Gen. 14:13 / other references may have different chap. and verse!

In KJV - (unidentified) 'one escaped and told Abram, the Hebrew'
In Sep. - 'one rescued told to Abram the Hebrew - *see foot-note from Greek - passer, page 16.

In F.R. - 'a fugitive reported to Abram, the colonist'

In C.T. - 'one who escaped came and told Abram the travellar'

In Jas. - 'and Unic, Abram's servant, who was in the battle, saw (this), and told Abram'(no further description)

In Jub. - 'and one who had escaped came and told Abram'(no fur. des.)

So, How Did Hebrew become passer or colonist or traveller? Certainly, the standard(accepted) definition as a descendent from Eber is not valid. The terms, passer/colonist/traveller, were descriptive of Abram's behaviors. So, one bible chose to use a geneolgy(supposividly) and two bibles chose to use descriptive qualities; and, one bible chose to openly succumb to pressure. Please, re-look at 'foot-note' under 'Sep.' previously given. And, this is so even though The Septuagint(Brenton, pub. 1986) is from the Greek!

This very first occurance(in 6 of the 7, written, consulting references of this little paper) of Hebrew is the very best for most. After, this occurance, useage goes 'down-hill' for cause. Re-read the prefaces and testimonies for understanding!

two references for 'Hebrews' to be offered:

Gen. 43:32 - KJV, C.T, & Sep. - 'eat with Hebrews'
 F.F. - 'eat food with foreigners'
 Jas. & Jub. - no description of event

Exodus 3:18 - KJV, C.T., & Sep: - 'God of the Hebrews!'
 F.F. - 'The Everliving'God'
 Jas. & Jub. - no description

So, Are We now to believe that Hebrews means foreigners & everliving? Remember, in 'Hebrew' we were supposed to believe that the meaning was also passer, colonist, and traveller!

So, What Does stein's say? See word #5680 for both Hebrew and Hebrews. #5680 - patronr from 5677, an Eberite (i.e. Hebrew) or desc. of Eber: -Hebrew(-ess, woman). Have you noticed that the word, Eberite, NEVER occurs in any of listed texts? But, your mind has now been 'implanted'? And, a totally new word, Hebrew, not given in geneologies or required in useage(THE LORD ordered Abram's and Jacob's name change) is 'indoctrinated' into your vocabulary. Are we not so easy to be led astray? Does not the tail follow the head?

In #5677, we are now 'told' that Heber, a listed canannite in the bible, is now a choice and that this Heber is either a patriarch and or an Isr.. Judges 4:11 - "Now Heber, the Kenite, which was of the children of Hobab the father in law of Moses...".

Now Unless Someone can show me where Moses married more than once, please follow a trail, of which, you might ask your favorite 'teacher'!

"When Jethro, the priest of Midian, Moses' father-in-law..." - Ex. 18:1. So, Now Jethro has become Hobab! Who were the Midianites? Did THE LORD have a dual-priest system going? Did THE LORD actually have 'twin' children?

After some of you quit crying and attempting to 'hiss' me, PLEASE continue. Jethro's first given name, KJV, was 'Reuel', Gen. 36:4 - "...son of Esau...", confirmed in Jas. 36:22. stein's informs you in word #7467 (Reuel) - see also Deuel, Jethro, & Raguel. stein's conveniently drops 'Hobad' - #2246; the 'bad boys' wouldn't want to make it too easy for you; would they?

"THIS GUY CHEATS! REUEL WAS ONLY AN EDMITE!"; so, they cry! Because they think that Issac was the only one that 'had-at-it' with Rebekah. Whoops, that's another story! "AND, THIS GUY ALWAYS GETS 'SEX' INTO THE STORY!" Well, from what do you think that geneolgy springs?? Does your 'pay-for-hire' tell it is spiritual?

So, #5680 refers to #5677 which refers to #5676 which refers to #5674; with an approx. grand total of 195 words to choose from to fully understand - 'Eber' - according to stein's. Some of our choices are: 1) + raiser of taxes, 2) shave, 3) fail, 4) meddle, 5) alienate, 6) perish, or 7) to cover (in copulation)!

So, If You think you are a Hebrew (from) or listen to a Hebrew, in only 7 choices you can be meddled with, shaved, fail, perish, get copulated, and get your taxes raised as you are alienated. SOUNDS pretty much like what is going on in America; to me!!! But, don't worry the Hebs will place a goodly amount of vaseline under your tail - if you pay them - some more!

The enemy places 'it' in your face - you can't see or smell 'it'!
 The enemy scorns you - and you listen to your pleasing pontifficators!
 The enemy laughs at you - you give money to sanctimonious preacher!
 The enemy has orgasmic pleasure at your expense - and, you cry out;
 "Oh, LORD, WHY ARE YOU DOING THIS TO ME?" And, THE LORD refuses to answer one without - 'TRUE HUMILITY'.

Please, will you, please do something for yourself and maybe me? After, you finish this little section? Stop. Go to your bathroom. Get your nose about 8 inches from the mirror. Look straight into your own eyes. For about 30 seconds. Think of nothing. Stare at only your eyes. For the next 30 seconds, ask yourself some questions. 'Am I happy with my circumstances? Is the world around me in good order? Continue looking, only, at your own eyes. What is the very near future? Have I really been a man(woman)? Have I kidded myself with emotional relief? Have I put myself and everything I have at risk? For THE LORD? Do I really love myself? How can I love myself unless I dedicate my entire life to learning and keeping THE FATHER'S LAWS? To the jots and tittles?' THEN, look at your own eyes for 60 seconds more! THE LORD WILL KNOW YOUR ANSWERS. WILL YOU?

If you will not spend 2 minutes, and, actually, do what I request. And, actually look into the mirror. Then, please, ^{do not} read any more of this little paper. Do not, please, ever attempt to talk to me, see me, read anything of which I try to author. Just, please, leave me alone; and, I will certainly do the same. Because, I can not stand ABJECT FAILURES!!!!

The first occurrence of 'Hebrew' in a scriptural book (to my knowledge) is before the KJV Gen. 14:13. It occurs 13 years prior (40th Jub., 6th week, 5th year, 7th month, 1st day); Jub. 12:17-28, "...And I opened his (Abram's) mouth and his lips, and I opened his ears, and I began to speak with him in Hebrew, in the tongue of creation...".

"SEE, HE HAS BEEN PLAYING WITH US. THERE IT IS THE PROOF THAT HEBREW IS THE REAL DEAL!"; so said the impatient 'blind man'.

The Massoretic (Hebrew) Bible, the only one, was compiled by the Universally (Pagan - easily proven) Catholic Church between 600 & 900 A.D. (Pagan time - in 1st par. this page example of how THE LORD'S time is expressed) and first published (very limited) in 1020 A.D. The U.P.C. hired about 300 Pharisee Rabbies to translate the Latin Vulgate (vulgar) into Hebrew. Prior, to the above dates, THERE WERE NEVER ANY SCRIPTURES IN HEBREW!!!!!! "The oldest known Hebrew manuscript of the Old Testament dates from the ninth century A.D." - Preface, Goodspeed Bible, page xiii. This may be verified by dozens of other sources. (I just happen to have copy of page xiii.)

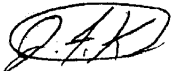

'tongue of creation' is, by my research, only descriptive. The name is 'The Ancient (Mystical) Language of the Angels'. This is what Abram was taught. You now have the words necessary to begin your search. One unusual location in which I found same, was in a book about un-explainable crop-circles in England, by a female author, approx. 350 pages, with an antiquities/language specialist stating about those 'circles' which appeared on camera with no-people, etc. involved; "these 'signs' look like the A.M.L. of A.". I was able to identify 15 of these 'signs' from my other sources, once I turned the book up-side-down. My paper (copies) were stolen 13 years ago, along with 3 full boxes of other data. Goodspeed! And, blessings to those of tenacity! Successful, seekers please call me!

Now, the following is going to get a-little-bit-tricky for some; however, just slow-down and re-read. A lot of numbers play on the mind. I have boiled a few pages down to as little as I am able.

Abram was 78 year old (Jas. 16:22) - 88 years (Jub. 14:13) when 1st useage of Hebrew occurs in KJV, Gen. 13:14. No age given in KJV, Sep., F.F., or C.T.; why not?

However, first scriptural useage of Hebrew in Jub. 12:17, Abram is 75 years old. No ages or even description of event found in any other listed reference. This event happens on the 1st day of 7th month.

When Abram's name was changed to Abraham (my opinion is that his real name was 'Abrashem' - can't prove it, just based on a lot of study), he was 99 years old according to KJV, Sep., C.T. Gen. 17:1 - 17:16 according to F.F. Gen. 17:1. However, in Jub. 15:1, Abrashem is 110 years old. - 41st Jub, 5th year of 4th week, 3rd month, 14th day (Passover). Abrashem's born date is 39th J, 2nd. week, 7th year. You may now calculate Abrashem's age of 110 years of age for yourself. If you can not, why not? Did the pontifficators decide that you did not need such skills?

Eber died 129 years(+, - 1 year according to which rendition of years which one accepts) after the first mention of the word, Hebrew. Yet, all mentions of his name by spelling, with one exception are Eber!!! Shem, Abrashem, Isaac, Jacob, Joseph, Esau, Deuel, and hundreds of thousands of others never used the term, 'Eber', with respect to Salah's son!!! Were all those prior to 900 A.D. really so stupid? Or, has the deception of The Whore of Babylon(U.P.C.) been so very successful? Chew on that a moment?

Eber occurs(KJV) in only 4 books, 6 different chapters, in only 13 verses of Old Testament. And, with all due respect to Eber, other than listing(s) of geneology(12 of 13), only 1 says anything about Eber. "...and shall afflict Eber and he also shall perish for ever". Ever have any doubts about The WORD of THE FATHER coming true? You are witnessing said 'perishing' in the 'times'!!

In direct conflict, as-in-anti-christ, with the only description of Eber, non-geneological, millions follow the canninite doctrine of Eber's resurrection as "Heber"! What are you doing? What will you do for the rest of your life?

The one exception occurs in the (New) Testament of Clarification, in Luke(Lucas) 3:35. Lucas uses Heber in the geneology of THE CHRIST. And, please do not assume, that I could not get into that supposed geneology, in a 'non-bubble-gum-chewing' fashion, including the version in Matthew. However, again, it is kindergarden to not know who Lucas was in 'time'. Hint-Luke was named after Lucas the brother of Angus, king of Africa. Lucas is easily comparable to Dick Cheney, v.p., of our time, for George (C)ush.

One last point(thought), Matt. 15:24 - "...I am not sent, but, unto the lost sheep of the house of Israel." Can anyone, please, show me any bible which says - 'the lost sheep of the house of Hebrew'????

Gen. 23:2 - "...Kirjath-arba, the same is Hebron...". * dozens of *
Jas. 36:5 - "...Hebron the same is Kireath-arba...". * others *

Do you see 'arba'? #707 to #7251 to #7250(as instructed by stein's)- "a prim.root...i.e. (spec.) in copulation : return to #5674 - " a prim. root...(in copulation) all the way back to #5680 the word for Hebrew. Notice, how I go back to prime roots(the beginning).

(H) Jebron - #2275 - Chebrown(later comes) from #2267 **now you pick-it-up!**
to "...a prime root, couple(together). Is this not copulation? Those nasty 'prime roots'!

When will you get tired of being 'copulated'? Today, please!!! If not, then please inform me so that I will not waste my 'breath' in the future, Okay?

"OH, GOOLLY-GEE, AGAIN THIS GUY GETS HIS ROCKS OFF BY ALWAYS GETTING INTO SEX, AND HE CHOSE ONLY THE WORDS OF FORNICATION SO THAT HE CAN 'PUT-DOWN MY LOVING/PLEASEING/INDOCTRINATED PREACHER WHO ONLY TAKES MY MONEY ONCE A WEEK!" - so said those who are about the weep and nash their teeth in earnest.

Pay-for-hire's - "Many pastors have destroyed my vineyard, they have
Pontificator's- trodden my portion under foot, they have made my
pleasant portion a desolate wilderness." - Jer.10:12

Hebron - "Therefore the five kings of the Amorites, the king
of Jerusalem(Jebus/Shalem/Shamlan), the king of
Hebron(Hebrews/Hebs)...". - Joshua 10:5.

WHAT ELSE DO YOU NEED? I will escort you to the toilet; I will even
clean-up after you; but, you have to do the
WIPING of your own 'rear-orifice' which may
have a 'tail' over 'it'!!!!!!!

'TO CONDENSE A STORY'

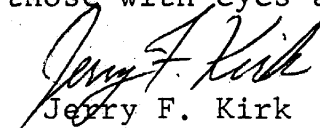

Abrashem and his people dug wells in the plains of Mamre which are
in the land of the Philistines of Hebron. The locals inter-feared.
Abimeleck, king of the Philistines, heard of this and beat-a-path
to Abrashem's location. Abrashem rebuked said king(who at that time
was the most powerful of all the canninite nations). Abimeleck
issued an order to all kings to 'hands-off' Abrashem. - Jas. Chap. 12.

This is why so many canninites referred to the powerful god of the
Hebrews which they erroneously assumed to be Abrashem's god since the
'protection order' was given by Abimeleck. And, obviously, Abimeleck
was not Abrashem's Everliving Almighty(CHRIST) THE Only Beggotten
SON OF THE FATHER In Heaven! JUST THAT SIMPLE! If you were given
just the above story, 1st paragraph, would that have been enough data
for you to actually think? After this little paper greatly condensed,
will you humble yourself? Will you make photo-copies? Will you race
to your neighbor's? Will you share? Will you put this 'paper(both)'
up on hundreds of 'Web-Sites'?

WILL YOU TAKE THE HEAD TODAY: TO
AVOID THE LAKE OF FIRE'S HEAT FOR
ETERNITY?

The ball is in your court; it is your turn to take your shot!
Your brothers and sisters need your courage! I am too weak!

Blessings to those with eyes and ears!
